

# THE CALCUTTA EMMANUEL SCHOOL

Motto:  
"LET YOUR LIGHT SHINE"

**This is a school with a difference. It is for the poorest. For those born to difficult circumstances. It is the only free school in West Bengal affiliated to the I.C.S.E Board**

## The vision

Every child has an intrinsic worth and value and is a gift from God.

## The Mission

Is the holistic child development, i.e. Physical, Mental, Spiritual and Social

### Physical

The Physical development covers providing nutrition through a midday meal, uniforms, shoes and sports kit, books, physical training, games, and medical assistance.

### Mental

Academics is important Regular classes and ICSE syllabus are followed. The emphasis is on learning and lessons are supplemented with visual aids, CD ROMS and audio-cassettes. A well stocked library and 3 Science Laboratories offer opportunities for both Arts and Science streams

## Spiritual

Communicating spiritual truths and values are given high priority. Values and spiritual truths are communicated everyday through the Assembly time and Scripture classes. Students are encouraged to practice the truths learned at home and outside.

## Social

Children are taught to recognize their role in society, they are made aware of their rights and social concerns. They are also encouraged to participate in awareness programmes. Their talents are identified and trained.

## **WE ACHIEVE THIS THROUGH SPONSORSHIP**

**Each child is linked to one sponsor who will take an active interest in the child's individual development.**

### **Sponsorship Procedure**

- It costs the school £ 15 or \$ 20 or Rs 700 (for Indian donors) per month to provide holistic development for one child.
- Those interested in sponsoring children, please contact us at [emcal@vsnl.com](mailto:emcal@vsnl.com).
- The form below has to be filled up if you are interested in sponsoring a child
- If a child is accepted by the sponsor then an introductory letter follows, clarifying the procedure
- After the child is accepted, a new Assignment Letter introducing the child to the sponsor is written.

- Every sponsored child is expected to write three Trimester letters to the sponsor in April, August and December.
- If the sponsor sends a letter / greeting card / photograph / picture card/ gift, etc. the child writes a Response Letter acknowledging receipt.
- Some sponsors might like to send a special Birthday gift or a general gift to the family. Money is never given to either the child or the parents. The items necessary or required are purchased by the school and given to the child, and a register is maintained with the signature of the child.
- At Christmas, each child gets a gift so in December an additional amount of £ 15 or \$20 or Rs 700 may be sent.

We are committed to being financially accountable.

An Annual Report and an Audited Statement of Accounts is submitted to the Registrar of Societies.

World, national and city statistics on children are appalling. Poverty is such a complex issue not just related to material benefits. Children are the poorest people in our world.

There are 400,000 children on the streets of Kolkata. They have no basic rights, no voice.

“Open thy mouth, judge righteously  
and plead the  
cause of the poor and needy.”  
in Prov. 31:9.

**You may not be able to make a difference for 100  
children  
or even 10. But to 1 child you can make a difference.**
